Q English Online – Intermediate

Q English Online is a general English course for students aged 12 and above. **For intermediate level students.** This program correlates with international standards (CEF – B2).

Q English Online – Intermediate is a user-friendly online course.

Learn, practice, and improve your English with our interactive activities, authentic real-life scenarios, and useful online tools.

Q English is fully-online, so you can study anytime, anywhere!

Speaking Lab

Practice speaking English at our **Speaking Lab**! Compare your speech against that of a native speaker – and receive instant graphical and written feedback.

Guided Writing Lessons

Develop your writing skills with our **Guided Writing Lessons**! View sample essays, start planning, and finally write your own assignment!

Certification

All students that successfully complete the course and pass the test will receive **qualification certificates**.

Other Special Features Include:

- ✓ Approximately **60 hours** of online learning.
- ✓ Lessons adapted especially for **intermediate level learners**.
- ✓ Exercises for **all language skills**: listening, reading, speaking, and writing.
- ✓ Fun **interactive lessons** - with audio and video exercises.
- ✓ Useful online tools - including a **Lexicon** and **Grammar Book**.
- ✓ Instant feedback and assessment.

The International Institute

Q Intermediate is the right level for students who:

- ✓ have a solid understanding of English and strong reading skills.
- ✓ want to learn more words and improve their grammar.
- ✓ understand short conversations and basic instructions.
- ✓ want to be able to speak in English on a wide range of topics.
- ✓ want to be able to read and write reports, letters, and detailed articles.

What You Will Learn

Q English Intermediate teaches you new vocabulary and develops all four skills – reading, writing, speaking, and listening.

By the end of the course, you will be able to....

READ:

- detailed instructions, reports, and articles.
- articles and texts to find information.
- letters, e-mails, notes, and stories.
- advertisements and notices.

WRITE:

- notes from lectures or work meetings.
- detailed letters and emails on a range of topics.
- advertisements and promotions.
- persuasive essays, narratives, and reports.

SPEAK:

- about a wide range of topics - including current events, work, and personal hobbies.
- in front of an audience and deliver short presentations.
- to new people, deliver messages, and answer simple questions.
- about difficult subjects, such as science, technology, and psychology.

UNDERSTAND:

- instructions, announcements, and messages.
- videos on various topics – such as entertainment and famous people.
- everyday conversations on a wide range of subjects.
- articles, reports, and short narratives.
