

The International Institute  
of  
Written Oxford English

## Q Master

**Q Master** is designed for advanced level students that need to improve their English for higher education. **For advanced level students.** This program correlates with international standards (CEF – C2).

Ideal for undergraduates and graduates, all lessons in **Q Master** are based on topics that you are likely to encounter in a real-life academic environment - such as Information Technology, Psychology, Electronics, and Literature.

This course helps you to develop your reading, writing, speaking, and listening skills - while learning language relevant to the academic world.

## Speaking Lab

Practice speaking English at our **Speaking Lab**! Compare your speech against that of a native speaker – and receive instant graphical and written feedback.

## Guided Writing Lessons

Develop your writing skills with our **Guided Writing Lessons**! View sample essays, start planning, and finally write your own assignment!

## Certification

All students that successfully complete the course and pass the test will receive **qualification certificates**.

## Other Special Features Include:

- ✓ **60 hours** of interactive lessons and activities.
- ✓ **Writing Tips** – with help and guidance on how to write an academic essay.
- ✓ A **Word List Tool** - with lists of words related to the topic that you are working on.
- ✓ **Comprehension Tips** – to help you complete our reading and listening exercises.
- ✓ An online **Lexicon** – featuring new words with examples and explanations.
- ✓ A **Notepad** – so you can take notes and save them on your computer.
